

Do you want to optimize your spaces? An excellent resource are folding or wheeled furniture, with them your spaces can be continuously transformed into whatever you want. Use our King Kong stainless steel support wherever you want, perfect for humid environments and choose between its two positions 90° and 60°.

想优化空间却无从下手？不妨考虑一下为空间转变而设计的折叠家具或带脚轮的家具吧比360° 转变更厉害的是我们那0°，60°，90° 都能驾驭得到的金刚支架潮湿环境？没难度！。

## 2 POSITIONS

King Kong stands out for its two positions, you can put it in 90° or 60°. At 90° you can use it as a table or as a support for heavy objects and at 60° to have a better visualization of objects or to display different products.

90°

60°

### 多种角度任你选

金刚之所以脱颖而出是因为它有多种角度选择  
90° 可用于折叠桌或放置重物  
60° 可用于展示不同的货品  
美观实用两适宜? 没难度!

You can add two add-ons to make it even more functional. Our hanging bar is ideal for hanging objects and our stainless steel hooks to be able to use it in 60° without having to play with the force of gravity, your objects will be subject thanks to it.

当支架打开到 60° 时我们贴心地为你增加了两个可选配件  
挂杆和不锈钢固定件，便利生活? 没难度!

How powerful King Kong looks, that is thanks to its 304 stainless steel that makes it incredibly strong and resistant. It can support up to 100kg!

金刚之所以强大是因为它由 304 不锈钢组成  
100 公斤的承重? 没难度!

## DIFERENT SIZES

多种尺寸可选

See how King Kong is folded, its function is perfectly fulfilled for small and adaptable spaces.
